### The largest long-term care event in Europe in 2017!

A combined event of the E.D.E. and TZMO Foundation comes to life in Toruń, on 27.09.2017! This is already the 20<sup>th</sup> International Long-Term Care Conference in Toruń, organized by the TZMO's Foundation. This is also the year of E.D.E.'s 15<sup>th</sup> Congress, so it is only natural that the two most significant events should join their forces.

# Care Home Director Today and Tomorrow.

Pressure, Concessions, Compromises and Solutions.

We have made  
**the director** our focal point.

Director has to face a lot changes,  
pressures, challenges and sometimes  
different conflict of interests.

There are **more changes** to come  
than the **ageing** of the society.

We want to show different issues that  
the management staff will need to face.  
Show the solutions, good practice  
examples
